ALL OF OUR RACKS HAVE THE FOLLOWING FEATURES

MODULAR ATTACHMENTS

Commuter front rack and Rasket stays are attached to the fork by modular attachments for mudguard eyelets, 9 mm solid hub axle or rack eyelets.

COMPACT PACKAGING

Racks can be packed into a compact size so they are easy to ship.

FRONT LIGHT BRACKET

Commuter front racks and Rasket include a bracket that can be used to mount a lamp to the rack.

LOWRIDER PANNIER SUPPORT

New lowrider add-on to Commuter Front Rack and Rasket. This low-rider pannier support turns your everyday carrier into a expedition-ready cargo rack suitable for longer tours. Allows you to attach the panniers lower, making the loaded bike more stable to ride.

KEY FEATURES

- Stainless steel tubing
- Two colors
- An add-on to Pelago Commuter Front Rack and Rasket (comes without the platform)
- Lower mounting points for front panniers
- Fits most bicycles with 28" or 26" wheels

SIZE

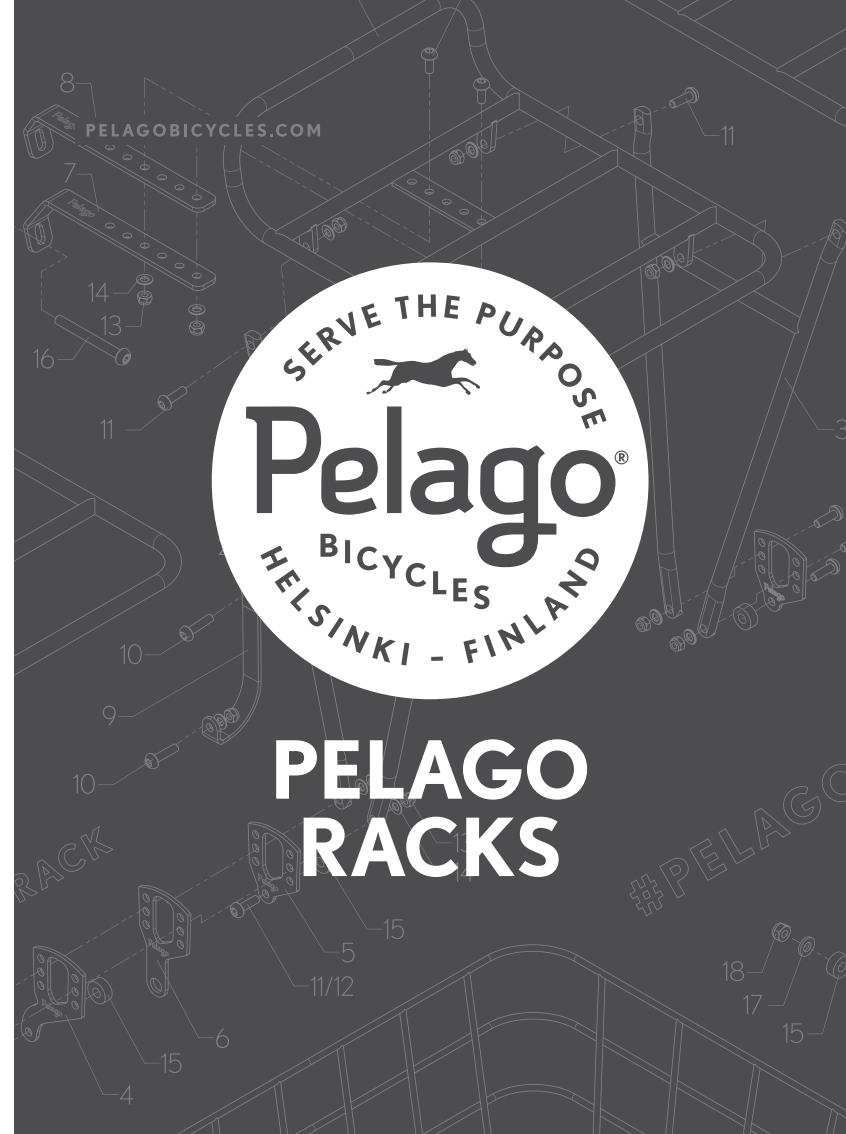

480 x 235 mm / 500 g

COLORS

● Gloss Black ● Polished

Tubing diameter: 10 mm
Load capacity: 15 kg total
(with stainless platform)

5 YEAR WARRANTY (30 YEARS EXTENDED WARRANTY WITH REGISTRATION)

PELAGO RACKS

COMMUTER FRONT RACK ALUMINIUM

A new, lighter aluminium version of our do it all front rack. The same classic design now comes in three different sizes from a small handlebar bag carrier to a full size rack. Perfect for your everyday stuff, weekend camping gear or a late night pizza.

KEY FEATURES

- Lightweight aluminium tubing
- Modular attachments for mudguard eyelets, 9 mm solid hub axle or rack eyelets
- Horizontal mounting points for front panniers
- Travel friendly - Packs into a compact size
- Fits most bicycles with 28" or 26" wheels
- Front light bracket included
